

Personnel of C Company, 194th Tank Battalion

COVERING THE PERIOD 1 DECEMBER 1941 TO
1 NOVEMBER 1945

The following roster was compiled from our research. Since no known roster of the members of Company C, 194th Tank Battalion who served in the Philippine Islands exists, this is not an accurate roster. In most cases, we were unable to determine which National Guard members of the company were assigned to HQ Company. This roster will be corrected as needed.

To identify the original National Guardsmen who were assigned to Headquarters Company, they have been listed in the companies in which they originally were members.

RAMP (Recovered Allied Military Personnel)
